

Fuel/Unaccounted-For Exemptions

- A. The delivery points listed below are non-contiguous to Northern's system and have no installed measurement. The pipelines who receive the gas accept the aggregated volume measurements from the receipt points on the laterals as the delivery volumes at these points. Thus, there is no fuel or unaccounted-for applicable to these deliveries.

POI Number	POINT NAME
305	Ship Shoal 65
316	South Marsh 127 SS
322	High Island 555
