

11. SUCCESSORS AND ASSIGNS

Any company which shall succeed by purchase, merger or consolidation to the properties, substantially as an entirety, of any party shall be subject to the obligations of its predecessor in title under any Service Agreement. No other assignment of a Service Agreement or any of the rights or obligations thereunder shall be made unless there first shall have been obtained the consent thereto of the non-assigning party. Such consent shall not be unreasonably withheld. Any party may assign its respective right, title and interest in and to and under the Service Agreement to a trustee or trustees, individual or corporate, as security for bonds or other obligations or securities. Such assignment shall not obligate the assignee in any respect to perform the obligation of the assignor under the Service Agreement.
