

16. SUSPENSION OR TERMINATION OF SERVICE DUE TO DEFAULT

In the event that Shipper fails to comply with the terms contained in the applicable Rate Schedule and/or the terms of the Service Agreement, (other than billing disputes, which is addressed in Section 8 of the GENERAL TERMS AND CONDITIONS of this Tariff), in addition to any remedy it may have and upon receipt of any appropriate regulatory approval, if any, Northern may suspend or terminate service hereunder after implementing a thirty (30) day notification procedure to such Shipper. The notification procedure consists of a first notice that would inform the Shipper that it has twenty (20) days to correct the default, and a second notice to the Shipper that would inform the Shipper that service will be suspended or terminated in ten (10) days. Northern will also provide the Commission at least 30 days notice that it will terminate service to the Shipper. Northern shall have the right to waive any provision of the applicable Rate Schedule or Service Agreement; provided, however, that no such waiver shall operate or be construed as a waiver of any other existing or future default or defaults, whether of a like or different character.
