

34. UNAUTHORIZED GAS

"Unauthorized Gas" shall mean any volumes delivered to Northern from any receipt points which have not been nominated in any amount by any Shipper for that month and which have not been scheduled by Northern. Shipper may claim the Unauthorized Gas, provided that claim therefor shall have been made within six (6) months from the date such Unauthorized Gas entered Northern's system.

Any revenues received for Unauthorized Gas shall be credited to Shippers in accordance with Section 57 of the GENERAL TERMS AND CONDITIONS of this Tariff.

When the gas is claimed by a Shipper to whom such gas is to be delivered, the Unauthorized Gas shall become an imbalance on an existing TF, TFX or TI Service Agreement. Shipper shall be charged the Daily Delivery Variance Charge on all unauthorized quantities without application of the tolerance level and the out-of-balance transportation rate for redelivery.

To claim Unauthorized Gas, the owner must submit written notice to Northern with verification of ownership.

Northern will maintain a log for review by the public showing the imbalance volume, dollar value and Shipper. Such log will be copied and mailed to anyone willing to pay copying and postage fees.
