Shipper shall pay a monthly reservation charge equal to \$1.2854/Dth/day (Negotiated Reservation Rate) multiplied by 800 multiplied by 30.4.

In addition to the reservation rates above, Shipper shall (i) pay a commodity rate equal to the maximum commodity rates provided in Northern's FERC Gas Tariff; (ii) provide any applicable fuel use and unaccounted for; and (iii) pay all FERC-approved charges and surcharges applicable to the service provided hereunder.

The Negotiated Reservation Rate is applicable to all Market Area receipt points and the primary and alternate delivery points listed. If any other points are used (not as a result of Shipper oversight or scheduling error) either on a primary or alternate basis in any month, Shipper shall pay a reservation charge equal to the product of (i) the sum of the Negotiated Reservation Rate multiplied by 30.4 and the maximum TFX reservation rate set forth in Northern's FERC Gas Tariff and (ii) the entire contract MDQ, during the month that any other receipt or delivery points not listed are used.
