WATERVILLE STORAGE

The Market Area transportation rate, fuel and unaccounted for is charged for delivery to Waterville storage point (POI 922), or other similarly situated third party storage points in the Market Area. If redelivery from Waterville, or other similarly situated third party storage points, is to a Market Area point, there are no additional transportation, fuel or unaccounted for charges. If the redelivery is to a Field Area delivery point, the Field Area mileage/MID transportation rate and fuel is charged.
