

GENERAL TERMS AND CONDITIONS

42. NAESB STANDARDS

Compliance with 18 CFR, Section 284.12

Northern has adopted the Business Practices and Electronic Communications Standards, NAESB WGQ Version 3.0, and the standards revised by Minor Corrections MC15003, MC15004, MC15005, MC15009 and MC15012 all marked with an asterisk [*], which are required by the Commission in 18 CFR Section 284.12 (a), as indicated below. Standards without accompanying identification or notations are incorporated by reference. Standards that are not incorporated by reference are identified along with the tariff record in which they are located. Standards for which waivers or extensions of time have been granted are also identified.

Standards not Incorporated by Reference and their Location in Tariff:

The standards reproduced in Northern's FERC Gas Tariff are subject to a limited copyright waiver from NAESB. Northern is authorized to use some or all of the language contained in such standards in the following materials: proposed and approved tariff sheets; compliance filings; communications with customers and stakeholders in conducting day-to-day business; communications with regulatory agencies; and electronic and other media making tariffs, tariff sheets and other documents available to the public as required by law, provided Northern includes the appropriate citation in the material. With respect to the standards listed below, Northern incorporates the following: © 1996 - 2014, NAESB, all rights reserved.
