155/ For the period 04/01/2015 through 10/31/2025, the rate provisions are ammended as follows:

For the period 04/01/2015 through 07/31/2015, Shipper shall pay a total reservation rate equal to \$0.5598/Dth/day (Interim Reservation Rate). In addition to the Interim Reservation Rate, Shipper shall pay a commodity rate equal to the maximum interruptible transportation rate set forth in Northern's FERC Gas Tariff, as revised from time to time (IT Commodity Rate).

Shipper provided notice on 01/26/2015 of its election to continue the Interim Reservation Rate and the IT Commodity Rate for the period 08/01/2015 through 06/30/2016, provided that, during this period: (1) less than 10,000 Dth/day is flowing through the CF Industries Port Neal 2 delivery point (POI 79123) for all calendar days of such month, or (2) more than 10,000 Dth/day but less than 20,000 Dth/day is flowing through POI 79123 for no more than five calendar days of such month, and, for the remaining days of such calendar month, no more than 10,000 Dth/day is flowing through POI 79123. The rates shall be the Interim Reservation Rate and the IT Commodity Rate for the period 08/01/2015 through the earlier of (1) the date greater than 20,000 Dth/day flows through POI 79123, or (2) the sixth day in any calendar month where Shipper flows greater than 10,000 Dth/day and less than 20,000 Dth/day through POI 79123; or (3) 06/30/2016. Following that date the rates shall be the Agreed-Upon Reservation Rate and the Maximum Commodity Rate through the term of this Agreement.

For the period 07/01/2016 through 10/31/2025, Shipper shall pay a total reservation rate equal to \$0.7598/Dth/day (Agreed-Upon Reservation Rate). In addition to the Agreed-Upon Reservation Rate, Shipper shall pay Northern's Maximum Commodity Rate.

The Preliminary Reservation Rate, the Interim Reservation Rate and the Agreed-Upon Reservation Rate are applicable to all Market Area receipt points and the CF Industries Port Neal 2 delivery point. If any other points are used on either a primary or alternate basis, including use by any shipper acquiring the capacity through capacity release, Shipper shall pay a reservation rate of \$0.15/Dth/day for the period 04/01/2015 through 10/31/2025 plus the Agreed-Upon Reservation Rate for the entire contract MDQ and the Maximum Commodity Rate during the month that any such points are used.

In consideration for the above rates, all gas transportation services for the CF Industries Port Neal 2 delivery point shall be provided for under this Agreement. If another agreement is used to serve the CF Industries Port Neal 2 delivery point, the rates granted herein shall be terminated for any month in which another agreement is used and Shipper shall pay a reservation rate of \$0.15/Dth/day plus the Agreed-Upon Reservation Rate for the entire contract MDQ and the Maximum Commodity Rate during the month that any other agreement is used.

In addition to the Preliminary Reservation Rate, the Interim Reservation Rate and the Agreed-Upon Reservation Rate, Shipper shall pay all current and future applicable reservation and commodity surcharges. Shipper shall provide fuel, use and unaccounted for as provided in Northern's FERC Gas Tariff.
