

GENERAL TERMS AND CONDITIONS

In the event that any Sourcer fails to comply with Northern's flow requirements to increase or reduce firm receipts at Carlton, for any reasons other than force majeure on an upstream pipeline, such Shipper shall pay a penalty of twenty-five dollars (\$25.00) for each MMBtu that does not comply with Northern's flow requirements to increase or reduce.

Northern reserves the right to waive any Carlton penalty in a not unduly discriminatory manner. Northern will post the date, amount, and reason for the waiver on its website for a 30-day period for any waived Carlton penalty. Penalty revenues shall be credited to Shippers in accordance with Section 57 of the GENERAL TERMS AND CONDITIONS of this Tariff.

All parameters described above for Other Carlton Entitlement or Sourcers will be outside of Northern's normal scheduling and curtailment parameters.
