

RATE SCHEDULE ILD
Interruptible Liquefaction and Delivery Service
Garner, Iowa

1. AVAILABILITY.

This Rate Schedule is available for the liquefaction and delivery of natural gas ("LNG") by Northern Natural Gas Company ("Northern") on an interruptible basis under the following terms and conditions:

- (a) Shipper has executed an ILD Service Agreement of the form contained in Northern's FERC Gas Tariff ("Tariff");
- (b) Delivery of LNG shall be at the loading platform at Northern's LNG plant located near Garner, Iowa ("LNG Plant");
- (c) Shipper delivers equivalent quantities of natural gas to the LNG Plant as set forth herein.

2. APPLICABILITY AND CHARACTER OF SERVICE.

This Rate Schedule shall apply to LNG available for receipt by Shipper at the LNG Plant. Shipper shall receive the LNG into a properly qualified transporting vehicle or other facility. Deliveries hereunder shall be made at Northern's sole discretion based upon Northern's determination of the quantities available in excess of those required by Northern to operate its system. Northern will post the availability of LNG Service on its website and any applicable terms and conditions.

3. RATES AND CHARGES.

Unless otherwise mutually agreed to by Northern and Shipper, the charge per Dth for service under this Rate Schedule shall be within the minimum and maximum levels shown in Sheet No. 55. The rate Shipper shall pay will be set forth in Shipper's service agreement, or otherwise agreed to in writing.

Shipper shall be responsible for all applicable transportation charges, including, but not limited to, Fuel and UAF and electric compression charges, related to the transportation of Shipper's natural gas to the LNG Plant. Shipper shall also be responsible for any applicable excise tax.

Performance Obligation Charge. For scheduled or confirmed quantities of liquefaction delivery not taken, the billing shall be the sum of said scheduled or confirmed quantities multiplied by the daily Performance Obligation Charge shown in Sheet No. 55.

Northern reserves the right to waive the Performance Obligation Charge in a not unduly discriminatory manner. Northern will post on its website for a 30 day period any waived Performance Obligation Charge.

4. PROCEDURE TO REQUEST SERVICE.

To initiate service under this Rate Schedule ILD, a valid request must be submitted in accordance with Section 26, "Requests for Service" and Section 27, "Information Required for a Request for Service," of the GENERAL TERMS AND CONDITIONS of this Tariff.

After receipt of the requests, Northern shall tender an ILD Service Agreement. From time to time, Shipper may request an ILD transaction. The terms will be specified in an Appendix A which shall include:

- (a) Total Quantities,
- (b) A proposed delivery schedule for such quantities, and
- (c) Shipper and/or its carrier company(s) shall have proper insurance acceptable to Northern, from an insurance company in good standing and acceptable to Northern, and Shipper shall provide or cause to be provided to Northern a certificate of insurance, prior to the movement of any vehicle onto Northern's property.
